INTRODUCTION

INTRODUCTION

GEETA INDUSTRIES is established by Mr. Ramesh Panchal in the year 1995 as exclusive fabricator for well known Architect & Interior designers, Achieve their satisfaction level within very short period by providing best Quality, Job Perfection and Maintaining delivery schedule. The Steady Growth of the company has given the opportunity to expand business. Our firm is diversified in Steel Structure fabrication Projects. Geeta Industries is engaged in construction of Airport, Toll plaza, Factory Building, Huge Industries, Coal Yard etc. which are successfully completed within given Standards and completion time schedule.

We offer a wide range of assessments allowing our client to decide which one suits your company best. Our assessments fulfill the criteria required to bring our Clients' requirement in-line with current technologies. We assess all areas of importance around a site and our project will provide you with clear concise information that leave no place for ambiguity.

Regards,

HARESH PANCHAL
