## ABOUT US

GEETA INDUSTRIES established in the year 1995 as exclusive fabricator for the architect & interior designer's works and fulfill the satisfaction level by developing very complicated job.

We understand the confusion, complication and problems that can arise when new technologists brought in. That's why we have taken it upon ourselves to make the things better.

We offer a wide range of assessments allowing our Clients to decide which one suits your company best. Our assessments fulfill the criteria required to bring our Clients' requirement in-line with current technologies. We assess all areas of importance around a site and our project will provide you with clear concise information that leaves no place for ambiguity.
