MODERN FABIRCATION

GEETA INDUSTRIES

G-FAB FABRICATION DESIGN STUDIO

INFO@GEETAIND.COM

HELLO!

Since our inception in 1995, Geeta Industries has been at the forefront of fabrication and construction excellence – delivering precision, innovation, and trust. From bespoke architectural metalworks to large-scale structural solutions including canopies, domes, space frames, and pre-engineered buildings, we've grown into a name synonymous with quality and reliability.

Driven by experience and guided by vision, our team brings together design, fabrication, and erection under one roof – making Geeta Industries a truly comprehensive and forward-thinking partner in the fabrication and construction industry.

BOARD OF DIRECTORS

*HARESH PANCHAL,
RAMESH PANCHAL*

00

OUR SERVICES

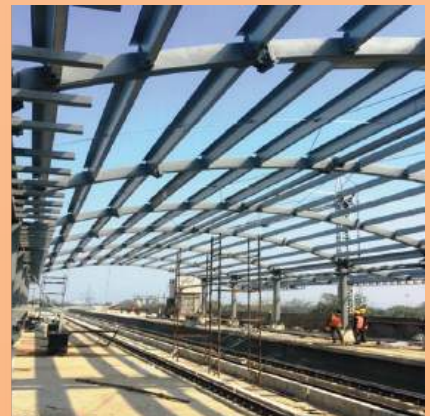

Geeta Industries brings extensive expertise in FABRICATION PROJECTS DESIGNING, EXECUTION & MANAGEMENT, overseeing a wide range of heavy construction and maintenance projects. We operate with an uncompromising commitment to integrity, safety, environmental responsibility, quality excellence, and cost efficiency – delivering dependable results across every endeavor.

SPECIALISED STRUCTURES

LARGE SCALE PROJECTS

STEEL STRUCTURES

01

GEODESIC DOMES STRUCTURES, SPECIALISED DESIGNED DOME STRUCTURES

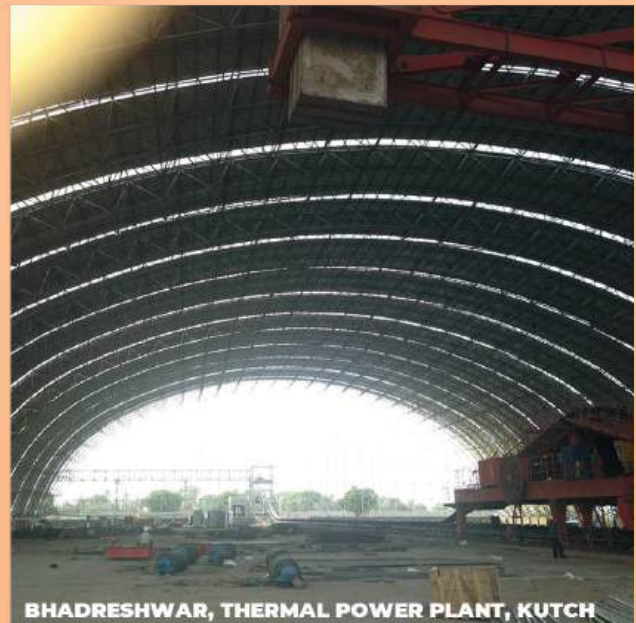

Our offered dome structures are one of the finest structures that are environment-friendly, attractive & pleasing, and highly efficient. These Geodesic Domes are enraptured by inventive design. Additionally, this range of geodesic domes can be used for both residential as well as commercial purposes.

02

SPECIALISED SPACEFRAMES

SPACE FRAME STRUCTURES

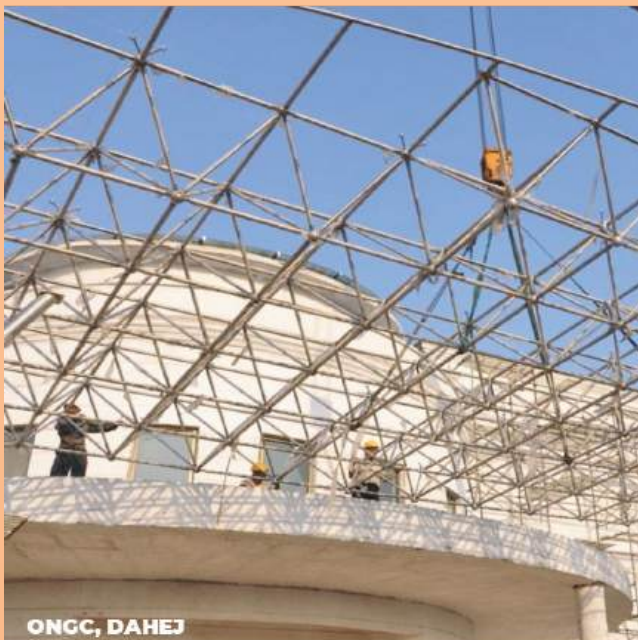

Geeta Industries is the most prominent space frame structure manufacturer and installer in India. We try to make our manufactured space frame structures as unique as our vision. We have huge years of experience in designing and executing numerous prestigious projects of space frame structures catering to the specifications and requirements of our clients.

"SPACE FRAMES: WHERE STRUCTURE BECOMES SCULPTURE."

SPECIALISED SPACEFRAMES

SPACE FRAME STRUCTURES

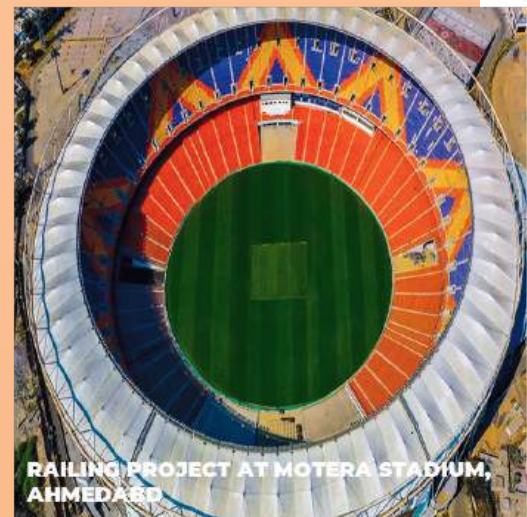

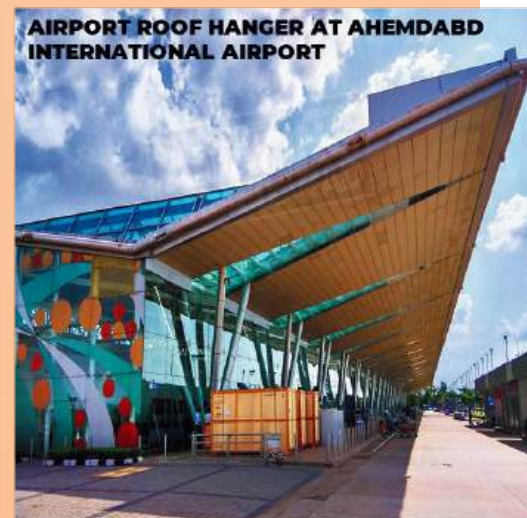

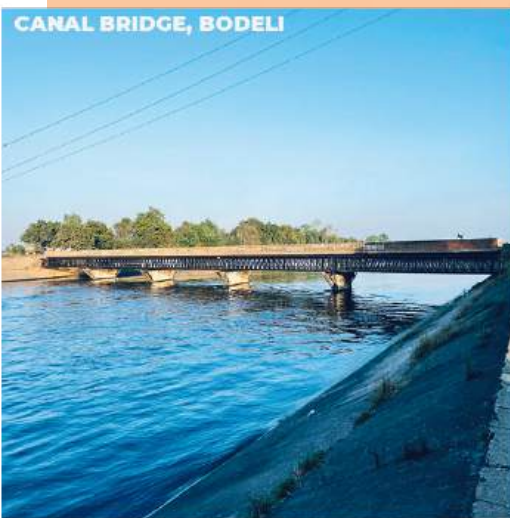

Geeta Industries is the most prominent space frame structure manufacturer and installer in India. We try to make our manufactured space frame structures as unique as our vision. We have huge years of experience in designing and executing numerous prestigious projects of space frame structures catering to the specifications and requirements of our clients.

03
